Comment: _____

Before sending the sample, please send this form to duengeservice@amazone.de for checking and approval.

After approval by the SAC, this form must be enclosed in the package together with the fertilizer sample and, if applicable, customs documents.

AMAZONE Fertiliser Service | Am Amazonenwerk 9-13 | 49205 Hasbergen-Gaste | GERMANY

AMAZONEN-WERKE H. DREYER SE & Co. KG collects and processes my personal data specified in the contract (company, name of the person in charge, address telephone numbers and e-mail address) which are necessary and required solely for the purpose of implementing the resulting contractual relationship. The mandatory information on the processing of your personal data can be found in our privacy policy (amazone.net/sac-pp). By sending the fertiliser sample, you declare that you have taken note of our privacy policy.
