

Profihopper 1500 Cab

The new cab for the Profihopper 1500 offers excellent front and rear screen visibility, external mirrors, wide-opening doors, heater and air conditioning. Additional equipment, such as road lights, flashing beacons, windscreen wipers, a radio, a special seat and additional LED working floodlights, make the Profihopper 1500 the optimum choice for intensive use.

The benefits:

- ✔ Max. cab noise level of 85 dBA.
- ✔ Mesh guard in front of air inlet filter.
- ✔ Road traffic approval for Profihopper 1500, with and without cab, and 500 kg max. trailer load.

The InsectGuard tine carrier agitates the grass vigorously before the mower passes over it, scaring away insects. Protect nature with InsectGuard for Profihopper 1250 and 1500!

Weather protection canopy offers protection from rain and the sun for Profihopper 1250 and 1500.
